

Intro to Sociology

SOC 1010-001 (BF)

TH, 10:45-12:05PM

4 credits

readings & discussions in English

COURSE DESCRIPTION

This course focuses on how society functions and is organized, and how society impacts and influences individual motivation, understanding, action, and well-being. We will discuss basic sociological ideas regarding social relations, social interaction, social structure and social change. Students will be introduced to key issues: class, race, gender, sexuality, religion, globalization, education, health care, crime, the media, and the environment.

INSTRUCTOR
