WANT TO SATISFY YOUR BF GEN ED REQUIREMENT?

FALL 2023 - LEAP 1260 - 001

TuTh / 10:45 AM - 12:05 PM

Open to all majors

FALL 2023 - LEAP 1260 - 002

TuTh / 12:25 PM - 1:45 PM

This course focuses on the intersection of arts, community, and social science. We'll read novels, scholarly articles, and nonfiction, as well as watch films and explore a variety of art from painting to performance as we think about the relationship between artistic practice and relevant contemporary issues.

Small class sizes where we explore big ideas. All that matters is that you want to think deeply about creativity, community, stories, and social justice.
