## COURSE DESCRIPTION

This is the third course in the OT Process – Adults series. All Adult OT process courses will be structured to facilitate student learning with respect to conditions, assessment, application of complimentary practice models and intervention. Evidence-based practice, clinical reasoning, occupation-based practice, and client-centered care will be taught and threaded through course activities and assignments.

## PRE- OR CO-REQUISITES

OC TH 6412 is a pre-requisite.

## REQUIRED MATERIAL

American Occupational Therapy Association (2014). *Occupational Therapy Practice Framework: Domain & Process (2<sup>nd</sup> Ed)*. Bethesda, MD: AOTA Press.

Schofield, K., Schwartz, D. (2019). *Orthotic Design and Fabrication for the Upper Extremity: A Practical Guide 1st Ed*. Thorofare, NJ: Slack, Inc.

Pendleton & Schultz-Krohn (2006). *Pedretti's occupational therapy: Practice skills for physical dysfunction*. St. Louis: Mosby.

Smith-Gabai, H., & Holm, S. E. (2017). *Occupational Therapy in Acute Care (2<sup>nd</sup> ed.)*. AOTA Press

## STUDENT LEARNING OUTCOMES

By the end of this course, you will be able to:

1. Perform task analysis in order to develop appropriate intervention plans.
2. Select, administer, and interpret appropriate standardized and non-standardized screening instruments to comprehensively evaluate client's needs, wants, and obligations.
3. Demonstrate consideration for cultural, disability, or other situational factors relative to the individual and their context that might bias assessment results when developing treatment plans.
4. Utilize the Biomechanical and Rehab models to design occupation-based goals and evidence-based intervention plans specific to clients with conditions covered in this course.
5. Utilize clinical reasoning to assist in teaching compensatory strategies when remediation is not an appropriate treatment relative to the needs of clients who have occupational performance issues covered in this course.

6. Demonstrate an understanding of safety factors relative to the needs of clients who have occupational performance issues covered in this course, including transfer safety, safe A/E use, and, application of post-surgery precautions.
7. Develop and promote the use of appropriate home and community programming to support performance and participation in client's natural environment.
8. Refer to specialists in other disciplines as appropriate for comprehensive health care.
9. Evaluate and adapt processes or environments (e.g., home, work, school, community) applying ergonomic principles and principles of environmental modification.
10. Provide design, fabrication, application, fitting, and training in orthotic devices used to enhance occupational performance and participation. Train in the use of prosthetic devices, based on scientific principles of kinesiology, biomechanics, and physics.
11. Demonstrate safe and effective application of superficial thermal and mechanical modalities as a preparatory measure to manage pain and improve occupational performance, including foundational knowledge, underlying principles, indications, contraindications, and precautions.

## TEACHING AND LEARNING METHODS

Learning methods will include lecture, discussion, group learning activities, individual learning activities, electronic assignments, reading assignments, student presentations, and written assignments.

## ASSIGNMENTS

All assignments are due on the date given and are to be submitted in the format (hard copy, electronic canvas submission) as specified in the assignment instructions. Assignments submitted by email will not be accepted. There will be a deduction of 10% off the total grade for each day that an assignment is late.

Refer to Assignment section for details on each assignment, due dates, and grading.

<u>Assignment/Learning Activity</u>	Grade Weight %
In-class assignments	10
Conditions Case Study	15
Treatment Plans (2)	40
HEP Presentation	5
Written Final Exam	30

## GRADING CRITERIA

The following grading standards will be used in this class:

<b>Grade</b>	<b>Range</b>
A	100 % to 94%
A-	< 93.9 % to 91%
B+	< 90.9% to 88%
B	< 87.9% to 85%
B-	< 84.9 % to 81%
C+	< 80.9 % to 78%
C	< 77.9 % to 75%
C-	< 74.9 % to 72%
D	< 71.9 % to 69%
F	< 68.9 % to 0.0%

## COURSE POLICIES AND RESPONSIBILITIES

Students are responsible for regular, timely attendance in lab and classroom sessions. Attendance, appropriate use of technology, participation in learning activities, and other professional development behaviors outlined in the student manual will be monitored. Any problem behaviors in class can affect your final grade. Your cumulative score will be multiplied by 1.0 for appropriate professional behavior. Lack of participation or inappropriate behavior will result in a lower cumulative score (i.e. multiplied by .98 or less).

Students should be familiar with The Code of Student Rights and Responsibilities. This code specifies student rights as well as conduct involving cheating, plagiarism, collusion, fraud, and theft. The code is provided in detail on the University of Utah web page [www.admin.utah.edu/ppmanual/8/8-10.html](http://www.admin.utah.edu/ppmanual/8/8-10.html)  (<http://www.admin.utah.edu/ppmanual/8/8-10.html>).

The faculty is responsible for facilitating learning in a respectful and supportive environment. Feedback is to be given that is conducive to integrating and applying concepts taught in class. Faculty is also dedicated to promoting student growth and development as a professional and fellow Occupational Therapist.

Class rosters are provided to the instructor with the student's legal name as well as "Preferred first name" (if previously entered by you in the Student Profile section of your CIS account). While CIS refers to this as merely a preference, I will honor you by referring to you with the name and pronoun that feels best for you in class, on papers, exams, etc. Please advise me of any name or pronoun changes (and update CIS) so I can help create a learning environment in which you, your name, and your pronoun will be respected.

### **Exam Policies.**

The scheduling of exams is non-negotiable. Final exams will be scheduled during the University identified Exam Week. Students are expected to take all exams at the scheduled time.

Students must be on time for exams. If the student is up to 20 minutes late, that time is lost and cannot be added. After 20 minutes, the student is considered a "No Show" and the student will not be allowed to take the exam. To maintain the integrity of the exam, make-up final exams will not be given. Only under extreme circumstances will allowances be made. This will be at the discretion of the course instructor and must be approved by the Department Chair.

### **Mandatory Reporter:**

As a University representative, most faculty, staff, and teaching assistants (other than professional mental health counsellors) are required to report information learned about instances of sexual misconduct, discrimination, and/or immediate threats to safety to the University of Utah Office of Equal Opportunity and Affirmative Action and/or the Office of the Dean of Students.

*If you do choose to disclose instances of sexual misconduct, discrimination, or violence to me, please be aware that I am a mandatory reporter and am required by University policies to notify the appropriate Office.*

## UNIVERSITY POLICIES

### COVID-19 Campus Guidelines

#### Important: Updated June 1, 2022 Instructional Guidelines

University leadership has urged all faculty, students, and staff to **model the vaccination, testing, and masking behaviors** we want to see in our campus community. These include:

- Vaccination
- Masking indoors
- If unvaccinated, getting weekly asymptomatic coronavirus testing
- Quarantining after exposure

#### Vaccination

- **Get a COVID-19 vaccination and the booster shot recommended for pairing with your vaccine** if you have not already done so. Vaccination is proving highly effective in preventing severe COVID-19 symptoms, hospitalization, and death from coronavirus. Vaccination is the single best way to stop this COVID resurgence in its tracks.
- University of Utah students are required (as of August 27, 2021) to complete a cycle of COVID-19 vaccination and booster shot with an approved vaccine, or complete an exemption form. The university provides three convenient vaccination options:
  - Attend one of the regularly scheduled **vaccine events** [↗ \(https://www.cns-cares.org/covid19\)](https://www.cns-cares.org/covid19) at the Student Union on campus.
  - Schedule an appointment with **Student Health** [↗ \(https://utah.medicatconnect.com/login.aspx\)](https://utah.medicatconnect.com/login.aspx).
  - Visit **My Chart** [↗ \(http://mychart.med.utah.edu/\)](http://mychart.med.utah.edu/), **Vaccine Information** [↗ \(https://alert.utah.edu/covid/vaccine/\)](https://alert.utah.edu/covid/vaccine/), or **CDC Vaccine.gov** [↗ \(http://vaccines.gov/\)](http://vaccines.gov/) to schedule your vaccination.

#### Masking

- While masks are not required outside of Health Sciences facilities, UTA buses, and campus shuttles, **CDC guidelines now call for everyone to wear face masks indoors.**
  - Check the **CDC website** [↗ \(https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html\)](https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html) periodically for masking updates
    - With high transmission rates in Salt Lake County, the CDC recommends: “Everyone should wear a mask in public indoor settings.”
  - Treat masks like seasonal clothing (i.e.during community surges in COVID transmission, masks are strongly encouraged indoors and in close groups outside).

- In cases of classroom exposure, masks should be worn for the quarantine period (see details below).

## Testing

- **If you are not yet vaccinated, get weekly asymptomatic coronavirus tests.** This is a helpful way to protect yourself and those around you because asymptomatic individuals can unknowingly spread the coronavirus to others.
  - Asymptomatic testing centers are open and convenient:
    - **Online scheduling** [↗\(https://alert.utah.edu/covid/testing/\)](https://alert.utah.edu/covid/testing/)
    - Saliva test (no nasal swabs)
    - Free to all students returning to campus (required for students in University housing)
    - Results often within 24 hours
    - Visit **Testing and Vaccine Information** [↗\(https://alert.utah.edu/covid/\)](https://alert.utah.edu/covid/) Campus Alert
- Remember: **Students must self-report if they test positive for COVID-19** via the **Campus Covid Response** [↗\(https://coronavirus.utah.edu/\)](https://coronavirus.utah.edu/) webpage.

## Student Mental Health Resources

- Rates of burnout, anxiety, depression, isolation, and loneliness have noticeably increased during the pandemic. If you need help, reach out for campus mental health resources, including counseling, training, and other support.
- Consider participating in a **Mental Health First Aid** [↗\(https://studentaffairs.utah.edu/mental-health-first-aid.php\)](https://studentaffairs.utah.edu/mental-health-first-aid.php) or other **wellness-themed training** [↗\(https://wellness.utah.edu/workshops-training/\)](https://wellness.utah.edu/workshops-training/) provided by our Center for Student Wellness and sharing these opportunities with your peers, teaching assistants, and department colleagues.

**Students are required to self-report if they test positive for COVID-19.** To report, please contact:

## Drop/Withdrawal Policies

Students may drop a course within the first two weeks of a given semester without any penalties.

Students may officially withdraw (W) from a class or all classes after the drop deadline through the midpoint of a course. A “W” grade is recorded on the transcript and appropriate tuition/fees are assessed. The grade “W” is not used in calculating the student’s GPA.

For deadlines to withdraw from full-term, first, and second session classes, see the U's **Academic Calendar** [↗\(https://registrar.utah.edu/academic-calendars/index.php\)](https://registrar.utah.edu/academic-calendars/index.php).

## Plagiarism and Cheating

It is assumed that all work submitted to your instructor is your own work. When you have used the ideas of others, you must properly indicate that you have done so.

Plagiarism and cheating are serious offenses and may be punished by failure on an individual assignment, and/or failure in the course. Academic misconduct, according to the University of Utah Student Code,

*“...Includes, but is not limited to, cheating, misrepresenting one’s work, inappropriately collaborating, plagiarism, and fabrication or falsification of information...It also includes facilitating academic misconduct by intentionally helping or attempting to help another to commit an act of academic misconduct.”*

For details on plagiarism and other important course conduct issues, see the U's [Code of Student Rights and Responsibilities](http://regulations.utah.edu/academics/6-400.php)  [.\(http://regulations.utah.edu/academics/6-400.php\)](http://regulations.utah.edu/academics/6-400.php).

Section III.A.5. prohibits the following:

Sale or distribution of information representing the work product of a faculty member to a commercial entity for financial gain without the express written permission of the faculty member responsible for the course. (“Work product” means original works of authorship that have been fixed in a tangible medium and any works based upon and derived from the original work of authorship.)

## Safety at the U

The University of Utah values the safety of all campus community members. You will receive important emergency alerts and safety messages regarding campus safety via text message.

## Addressing Sexual Misconduct

Title IX makes it clear that violence and harassment based on sex and gender (which includes sexual orientation and gender identity/expression) is a civil rights offense subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories such as race, national origin, color, religion, age, status as a person with a disability, veteran's status, or genetic information.

If you or someone you know has been harassed or assaulted, you are encouraged to report it to university officials:

## Diverse Student Support

Your success at the University of Utah is important to all of us here! If you feel like you need extra support in academics, overcoming personal difficulties, or finding community, the U is here for you.

## Student Support Services (TRIO)

TRIO federal programs are targeted to serve and assist low-income individuals, first-generation college students, and individuals with disabilities.

Student Support Services (SSS) is a TRIO program for current or incoming undergraduate university students who are seeking their first bachelor's degree and need academic assistance and other services to be successful at the University of Utah.

## Undocumented Students

Immigration is a complex phenomenon with broad impact—those who are directly affected by it and those who are indirectly affected by their relationships with family members, friends, and loved ones. If your immigration status presents obstacles that prevent you from engaging in specific activities or fulfilling specific course criteria, confidential arrangements may be requested from the Dream Center.

**Arrangements with the Dream Center will not jeopardize your student status, your financial aid, or any other part of your residence.** The Dream Center offers a wide range of resources to support undocumented students (with and without DACA) as well as students from mixed-status families.

## Inclusivity at the U

The Office for Inclusive Excellence is here to engage, support, and advance an environment fostering the values of respect, diversity, equity, inclusivity, and academic excellence for students in our increasingly global campus community. They also handle reports of bias in the classroom as outlined below:

*Bias or hate incidents consist of speech, conduct, or some other form of expression or action that is motivated wholly or in part by prejudice or bias whose impact discriminates, demeans, embarrasses, assigns stereotypes, harasses, or excludes individuals because of their race, color, ethnicity, national origin, language, sex, size, gender identity or expression, sexual orientation, disability, age, or religion.*
