Grading:

Your entire grade is based solely on attending the weekly GROW seminar and signing the check-in sheet. If you go but don't sign in, that will be counted as an absence. Calling/emailing Pam or me after the fact to tell us you forgot to sign in will not clear that absence.

Sessions Missed	Grade
0-2	A
3	B
4	C
5	D
>5	E

You are given two "freebie" misses. These are to be used for all manner of personal reasons, illness, family wedding, powder day, etc. You do not need to let me know if you are using one of your freebies.

If you are participating in research related activities that will preclude you from attending (e.g. field work, conference travel), you must let Pam and I know in advance and that absence will be excused and not count toward your absence total (i.e. it won't use a freebie).
